

Kalbarri District High School Student Requirements Yrs 7 – 12

This table outlines the basic requirements and also subject specific requirements for your child's schooling. Personal items have been approved by the School Council. These items may be purchased from a supplier of your choice. Please order textbooks as soon as possible to ensure supply. Prices may vary depending on where items are purchased. Most items are available locally. For your child to perform and have the best chance of a successful education they need to come prepared for school every day. Parents and Carers will be contacted if their child is unprepared for class. Your support in ensuring your child comes prepared is greatly appreciated.
