YEAR 3/4 ASSEMBLY

Well done to our wonderful Year 3/4 class for their expertise in hosting last Friday's assembly. Your Footy Night performance was very entertaining and spot-on for this time of the year.

CARDBOARD BOX CHALLENGE

In Technology this term our Years 1 to 5 students have been designing, creating and evaluating cardboard arcade games. This project was called the 'Cardboard Box Challenge' and students had the opportunity to work in small groups to create their game. After last Friday's assembly the whole school, and many parents, got the chance to have a go at these creative constructions. Well done to all of the students involved in this project they've shown an enormous amount of cooperation, perseverance and enthusiasm. The arcade games were fantastic and the rest of the school enjoyed playing them. Thank you to Mr Jeakings for coordinating this program.

MATHLETICS

It has been a week of quality achievements by students showing persistence. Well done to Emily L., Emily D., Zavier B., Brodie B., for their bronze efforts. Well done to Tristan K., for his silver effort, and congratulations to Jessica A., for achieving GOLD!

R U OK

Today is R U OK? Day, our national day of action and a reminder to all Australians that you've got what it takes to have a life-changing conversation.

Use today to start these conversations and as a reminder to keep them going all year round. If every Australian takes the time to ask, listen, encourage action and check in when someone around them is struggling, we'll move closer to our vision of a world where we are all connected and are protected against suicide.

CHAPLAIN'S MESSAGE

PETER'S CHAP CHAT #1417

PARENT TO CHILD

"If I was to change anything for you what would it be?"

CHILD RESPONSE

"Please don't be angry with me when I make a mistake, it makes me scared of you."

"Listen to me completely, before you interrupt or answer."

This is all part of love...extravagant love that enables lives and relationships to change and grow. How beautiful and precious our kids are! Your responses to them help to shape the way that they view people, life and love...through you!

Blessings to you and your family this coming week.

Peter Hanrahan, Kalbarri D.H.S. Chaplain
